

# VOLUNTEER Combined Disclosure Notice and Authorization Regarding Background Consumer Reports

The Fair Credit Reporting Act requires that we inform you that a background investigation may be conducted as part of our screening and volunteer process. This may include an inquiry to obtain information regarding your character, employment history, general reputation, personal characteristics, police record, education, qualifications, motor vehicle record, mode of living and/or credit and indebtedness. The primary objective of any investigation will be to verify information you provided on your application or during the interview process in connection with your application for and/or continued volunteer position (or contract) with the company. A consumer report and/or an investigative consumer report may be obtained at any time during the application process or during your volunteer position with the company. Upon timely written request to our personnel department, and within 5 days of the request, the name, address and phone number of the reporting agency and the nature and scope of the report (if one is made) will be provided to you. You have the right to request details of the report from the consumer reporting agency.

Before any adverse action is taken, based in whole or in part on the information contained in the consumer report, you will be provided a copy of the report, the name, the address and telephone number of the reporting agency, a summary of your rights under the Fair Credit Reporting Act, as well as additional information on your rights under the law.
